

## PROJECT APPLICATION NARRATIVE

### General Project Information

|                             |                                    |
|-----------------------------|------------------------------------|
| Project Title               |                                    |
| Primary Client              |                                    |
| Principal Investigator (PI) |                                    |
| Start Date                  |                                    |
| End Date                    |                                    |
| Total Budget Amount         | Line 10 from Budget Template       |
| *Client cash contribution   | Lines 11 + 12 from Budget Template |

\*Effective with projects to be approved by the Commerce Secretary as of July 1, 2022, a 10% administrative fee will be applied to the overall project budgets to support the ongoing programmatic management of the SC Fraunhofer USA Alliance program. Payment of this fee will be equally borne by the industrial client and by Commerce (which means the company pays 5% and Commerce pays the remaining 5% of the total project budget amount - "Research Institute Total"). This fee is to be included by the client and/or the PI in the downloadable budget template provided on the SC Competes SC Fraunhofer USA Alliance webpage at: <https://www.sccompetes.org/job/sc-fraunhofer-usa-application/>

### Project Partners

| Company/Institute       | Name & Title of Contact | Contact Phone and Email Address |
|-------------------------|-------------------------|---------------------------------|
| Lead College/University |                         |                                 |
| Fraunhofer USA          |                         |                                 |
| Other Partners          |                         |                                 |
|                         |                         |                                 |
|                         |                         |                                 |

### Economic Impact

|   |  |  |  |
|---|--|--|--|
| Size of impact<br>(example: \$, # of employees) |  | Time scale of impact<br>(how long until expected impact) |  |
| Short narrative about project impact            |  |  |  |

## Expected Continuation After Pilot

Short narrative about expected continuation
